

## Cardo Group Announces New Executive Director

Cardo Group is pleased to announce the appointment of Mike Turner as Executive Director.

Prior to his new role at Cardo, Mike was an Executive Director at Ian Williams Limited for over 20 years. He is a Board Member of Orbit Housing Association and Abbeyfield Living Society as well as a Director of the National Housing Maintenance Forum. Mike is a specialist in customer-focused service delivery solutions, procurement and asset management. He is a sought-after speaker at conferences and events promoting best practice in our sector. He will help increase our visibility in the social housing property maintenance sector and support delivery of our future growth plans.

Liam Bevan said: "It is a pleasure to welcome Mike to Cardo. He brings with him a reputation for really caring about the work we do and the people for whom we do it. He's worked at pretty much every level of building maintenance contracting and we will benefit greatly from his experience and focus on delivering customer-centric services."

Mike Turner commented: "I am excited to be joining an organisation that shares my values and aspirations for the sector. I've found that, in Cardo, the leadership team clearly believes that the work we all do can change lives, not just homes, for the better. This means I can continue to play my part in doing that, too, and I relish the opportunity to do exactly that."
